ecentric
PAYMENT SYSTEMS

Online Payments
Hosted Payment Page Lightbox plugin for

WOOCOMMERCE

Description

Process online payments on your WooCommerce website by using the Hosted Payment Page provided by Ecentric Payment Systems. You can accept payments through these payment methods:
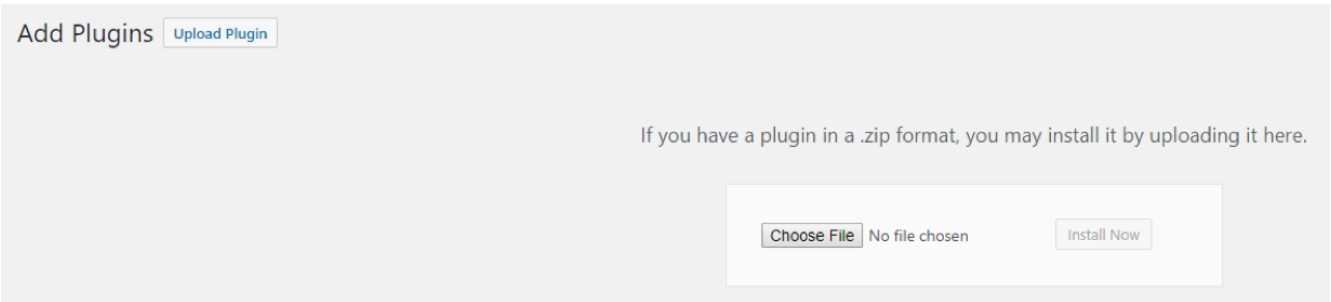

mastercard.   VISA   Diners Club   AMERICAN EXPRESS   MasterPass   SnapScan
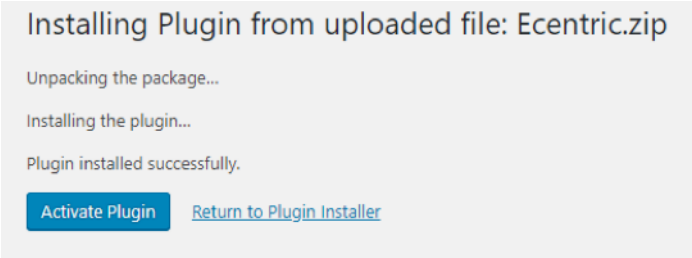

Installation

1. From your Wordpress admin page, go to **Plugins > Add New**

2. Select '**Upload Plugin'** and navigate to the installation archive, and select '**Install Now'**

3. Once installed, select '**Activate plugin'**

4. From the site menu, navigate to **WooCommerce > Settings**

5. From the '**Payments'** tab, select '**Ecentric Payment Gateway'** and input your MerchantID, Secret Key, Endpoint URL and the description you would like your users to see during the checkout process.
